Need information on Transferring?

For information on transferring from one to another course at MQ:

Double Degrees/Transfer Courses

- There are many double degrees available
- Details about course transfer will be available in the 2013 Handbook and on the Registrar’s Website
People and Planet units

• **People units** focus on the challenges of contemporary society and on what it means to be ethical, local and global citizens.

• **Planet units** help students to understand the nature of science and the challenges and issues facing the planet, with a particular focus on sustainability.

• 1 x selected from outside the **Department** administering the Qualifying Major

• 1 x selected from outside the **Faculty** of the Department administering the Qualifying Major

http://www.mq.edu.au/about/faculties.html
Minimum Rate of Progress Rule

- This is a rule that affects students once they have attempted 36 credit points at Macquarie.
- If a student’s overall GPA < 1.0 and their GPA for the current calendar year (12 months Jan - Dec) is less than 1.0, the student will be excluded from enrolment in the University (up to a period of 2 years).
- You can APPEAL against exclusion but you will need to speak to an academic adviser.
Special Approval – Third Time Permission

As well as the minimum Rate of Progress rules, if you fail any unit twice, you must apply to the Department for Third Time Permission if you want to enrol in it again.
Avoid having these rules apply to you

- **Do not** leave it to the last week to get help
- Be careful about how much *part-time work* you do.
- **Sign up and attend PAL** sessions for units which offer this resource.
- **Do your set tutorial work** – be prepared to discuss issues and be involved in tutes
- **Attend** both tutorials and lectures
- Don’t be afraid to **ask questions**!
Our **Location**
The **City Campus** Experience

- **Same** quality education
- **Support** and guidance
- **Smaller** campus enables you to make friends easily and settle into your surroundings faster
- **Experience** the three-semester system
- **Exciting** downtown location
Same Quality Education

- Our students follow the same curriculum as North Ryde
- Students graduate at North Ryde & receive the Macquarie University degree
Recruitment services hold free seminars on campus during the semester to assist students with:

- Resume preparation
- Job search techniques
- Interview techniques
- Time management and goal setting skills
- Motivation and leadership
- Networking opportunities

Students can enrol in personalised sessions with counsellors to gain detailed assistance in finding a job.

Register with recruitment services for graduate job opportunities before your course finishes.
Macquarie City Campus teaches select Macquarie University undergraduate and postgraduate degrees. Students study the same content and have the same standard of academic teaching as students located at North Ryde.

- Macquarie University Foundation Program
- Bachelor of Arts (Cultural Studies, Media & Communications)
- Bachelor of Commerce – Professional Accounting
- Bachelor of Business Administration
- Master of International Business
- Master of Accounting (Professional)
- Master of Accounting (CPA extension)
- **NEW IN 2012!** Master of International Trade and Commerce Law

Contact Macquarie International

- By Email: SIBTEnquiries@mq.edu.au
Timetables: Very Important!

• Go to the following link (closer to enrolment date)
  – www.timetables.mq.edu.au
  – You should look at this before enrolment day (in particular the Grid Timetable Maker) so that you have a draft timetable worked out for the units you wish to enrol in
  – Steps to follow when completing your timetable
    • Enter the lecture times first for all units
    • Then select tutorial times
